

# ACKNOWLEDGEMENT

I am pleased to note that Pt. B.D. Sharma University of Health\_Sciences, Rohtak is bringing out the revised Telephone Directory. As there have been several new developments in the University establishment since publication of directory for the first time in 2009, it was desirable to incorporate the changes for ready reference of all concerned. All such changes have been incorporated in this version. I am hopeful that publication of new Telephone Directory contains all up to date information on all the segments of the University and the Institutions administered by it.

I am thankful for valuable support and guidance provided by various branch incharges of the University and PGIMS authorities for providing the required information. Sincere and commendable effort of the office of the Dr. V.K. Jain Pro Vice Chancellor, Dr. Sarla Hooda Registrar, Dr. Rakesh Gupta Director, Dr. Ashok Chauhan Medical Superintendent and Parminder Verma Deputy Medical Superintendent in particular for compiling all the information in a presentable manner is greatly appreciated.
